Welcome to our international trip page! We appreciate your interest in Universal Mission. We go on international mission outreach yearly for a period of 2-4 weeks and 4-6 weeks depending on the projects (trip dates TBD). We are excited about your intention to go with us. You'll get a call from one of our volunteers or board members within 3 working days of the receipt of your completed form to put you through our Mission and answer any questions of concern you might have regarding the trip. For a hint, please find below some of the requirements.

There will be a rundown of what is to be expected during the trip, which will include: information about our mission, the people, the culture and the benefits of your sacrifices for the trip. It will be so thrilling to see the amount of lives that you will touch in an overwhelming way that you will want to it again and again.

Whatever your concerns or questions, there will be a forum to address all, over a conference call involving all participants before the trip: date/time will be set to accommodate everyone involved. Please do not hesitate to contact us at any time if you have any further issue or need assistance regarding this.
